

Clinical trials and Black breast cancer:
Access, advocacy, and advancing care.

CLINICAL TRIALS SHOULD BE AN OPTION FOR EVERYONE

Join Living Beyond Breast Cancer for a **free, one-hour webinar** about why clinical trials matter for Black people with breast cancer, what can stand in the way of participation, and the work being done to improve access.

Key topics

- Why participation matters
- Barriers to participation
- What is being done to improve access
- How to talk to your healthcare team about trials

Thursday, Nov. 12
7:00 – 8:15 p.m. (ET)

FREE | All are welcome
