

HEALTHCARE PROVIDER WEBINAR

Digital health information: Media coverage and impact on patients

Wednesday, June 16 | 12:00 - 1:30 p.m. (ET)

During the webinar you will learn:

- How health literacy affects patients' understanding of health information
- How social determinants of health, culture, and personal beliefs may influence how patients interpret health information
- How media coverage affects patients' understanding of health information
- Tips and resources for communicating with patients about health media reports
- And more!

Register today!
