Are you a young person with breast cancer?

Are you motivated by helping others?

Become a Young Advocate!

Our Young Advocate Program provides tools and training to help young people who have been diagnosed with breast cancer:

- use their personal breast cancer experience to make a difference in their communities
- further their understanding of the disease and advocate for others

Who should apply?
Anyone who has been diagnosed with breast cancer before age 45 and lives in the United States or its territories

We are seeking a diverse pool of applicants, including applicants from all ethnic and racial backgrounds, sexual orientations and gender identities, and those with lower incomes.

Young Advocate virtual training
This year’s training will be a virtual event and is scheduled to take place:

- Saturday, August 27
- Friday, September 16 – Sunday, September 19
- Self-paced learning from August 27 – September 11

“I feel so lucky for finding this group and for having the opportunity to be connected to help others.” — 2021 Young Advocate
