LIVING BEYOND
BREAST CANCER™

Gain Knowledge. Empower Each Other. Thrive Together.

Attend **Thriving Together: 2016 Conference on Metastatic Breast Cancer** to learn about the latest medical research and quality-of-life information while connecting with others with similar needs and concerns.

Now in its 10th year, the Metastatic Breast Cancer Conference features **national experts** presenting news you can use in large sessions as well as smaller, more **personalized breakouts**. The conference also provides you and those who care about you a space to **share information and resources** and **ask questions** about the complex medical, emotional, social and practical challenges that accompany a metastatic diagnosis.

I enjoyed being with others who share my experiences. It helped [to share] things I have been through with those who had similar experiences."

—2015 CONFERENCE ATTENDEE

Travel Grants and Fee Waivers

A limited number of travel grants* and fee waivers are available to help offset conference expenses for those who qualify. Find eligibility criteria and application instructions online at lbbc.org/thrivingtogether.

*A \$15 non-refundable travel grant application fee applies. There is no application fee for fee waivers.

ABOUT LIVING BEYOND BREAST CANCER

Living Beyond Breast Cancer addresses the needs of people affected by breast cancer, whether they are newly diagnosed, in treatment, out of treatment or living with metastatic disease. We connect people with trusted breast cancer information and a community of support.

To learn more, visit LBBC.ORG.

I am so glad we decided to make the time to attend the conference. It really helped my sister to understand her disease. She felt better psychologically after the conference. I felt good for supporting her. We hope to return next year. We made it a goal."

BREAK THE SILENCE ABOUT METASTATIC BREAST CANCER

Become a **Hear My Voice Outreach Volunteer** for Living Beyond Breast Cancer

Hear My Voice is a program designed for women and men living with metastatic breast cancer to serve as outreach volunteers. Help eliminate the isolation and misunderstanding that often surrounds a stage IV breast cancer diagnosis by speaking out in your community and getting involved. We'll teach you how.

The deadline to apply is February 12.
