

Keeping Cancer at Bay: What Researchers Are Learning About Recurrence

**LIVING BEYOND
BREAST CANCER®**

With you, for you.

Living Beyond Breast Cancer

LBBC connects people with trusted breast cancer information and a community of support. LBBC.ORG has many resources on recurrence — here are a few:

- ▶ Keeping Cancer at Bay: What Researchers Are Learning About Recurrence (*video*)
- ▶ Reducing Risk of Recurrence Through Healthy Lifestyle Choices (*audio*)
- ▶ Learn/Fear of Recurrence (*landing page for all LBBC resources*)
- ▶ Breast Cancer Helpline: Peer to Peer support just for you. www.lbbc.org/helpline or call 1-888-753-5222

Clinical Trials

Penn Medicine's Abramson Cancer Center

The Abramson Cancer Center is dedicated to innovative and compassionate cancer care. Visit pennmedicine.org/Abramson to learn more.

For more information about the clinical trials we discussed this evening, visit pennmedicine.org/2PREVENT to learn more about these trials:

- ▶ SURMOUNT – Surveillance Testing for Breast Cancer
- ▶ ACE – Accessing Cancer Concerns at the End of Treatment

Resources

SHARE

SHARE creates and sustains a supportive network and community of women affected by breast and ovarian cancers. Visit sharecancersupport.org.

Sharsheret

Sharsheret supports young Jewish women and families facing breast cancer at every stage—before, during, and after diagnosis. We help all women and families connect to our community taking into consideration their stage of life, genetic risk, diagnosis, or treatment, as well as their personal background. Learn more about our services and programs at sharsheret.org.

Susan G. Komen

Susan G. Komen® saves lives by meeting the most critical needs in communities and investing in breakthrough research to prevent and cure breast cancer. Visit komen.org to learn more about breast cancer and Komen's bold goal to reduce the current number of breast cancer deaths by 50 percent in the U.S. by 2026 and about Komen's investment in MBC research and communities. If you or a loved one needs information or resources about clinical trials, visit komen.org, call Komen's clinical trial information helpline at 1-877 GO KOMEN (1-877- 465- 6636) or email clinicaltrialinfo@komen.org.

Triple Negative Breast Cancer Foundation

TNBCF strives to be a credible source for triple-negative breast cancer information, a catalyst for science and patient advocacy groups, and a caring community with meaningful services for patients and their families. Visit tnbcfoundation.org.
