

Are you living with  
metastatic breast cancer?

Do you want to make a  
difference in your community?

## Become a Hear My Voice Advocate!

The Hear My Voice Advocate Program provides tools and training to help people affected by metastatic breast cancer:

- use their personal story to raise awareness about the disease
- further their understanding of stage IV breast cancer
- advocate for others in their physical and digital communities

### Who should apply?

People who have been diagnosed  
with metastatic breast cancer

We are seeking a diverse pool of applicants, including applicants from all ethnic and racial backgrounds, sexual orientations and gender identities, and people with lower incomes.

*"This program has meant  
everything to me. I found my  
VOICE in the MBC community."*
