

Knowledge is power

THE BLACK BREAST
CANCER EXPERIENCE

The Knowledge is power webinar series will be held virtually from 7:00 - 8:30p.m. (ET):

- Thursday, September 14
- Thursday, September 21
- Thursday, September 28

This year's theme is power in community. We will be joined by medical and wellness experts, as well as patient advocates as they share resources and facilitate empowering conversations on topics that include:

- Mental health
- Reducing toxins
- Empowering advocates
- Representation in clinical trials
- Inequality in breast cancer care
- Navigating diagnosis and survivorship
