& GUIDELINES

mission

# Living Beyond Breast Cancer...

- ✧ Is a purpose-driven brand. And its purpose is experienced and delivered most notably through its programming, content and events.
- ✧ Is a genuine actor in the big business of breast cancer with strong financial incentives and a profoundly vulnerable audience. So our content is evidence-based, our tone is real and our connections authentic.
- ✧ Engages in the lived experience of breast cancer. While much of the competition is focused on research, cures and science, Living Beyond Breast Cancer is uniquely invested in the context of the lives in which breast cancer is a critical dimension. The blend of practical, clinically sound, evidence-based information and supportive psycho-social insight from Living Beyond Breast Cancer is distinct.
- ✧ Offers resources that can restore agency to people whose lives are upended and whose sense of self has been fundamentally altered.

# Vision

A world where no one impacted by breast cancer feels uninformed or alone.

# Mission

To connect people with trusted breast cancer information and a community of support.

Logo

# LIVING BEYOND BREAST CANCER®

An evolution rather than a revolution, our newly balanced logo is at once bold and airy, resulting in clean, modern appeal. The mark features interwoven butterfly wings as a symbol of connectivity, along with tracked-out sans serif type, which convey both reliability and space.

When placing the logo on top of a dark image or a color, the knockout logo should be used for maximum readability.
