THE STRESS OF FINANCES
is a source of agony for all
cancer patients. — Caroline, diagnosed with

metastatic breast cancer at age 55

“With stage IV cancer, managing bills is not what I should be spending my time on. Thank you LBBC for lightening my load.”

Living Beyond Breast Cancer provides grants to people in treatment to help pay the costs of rent, utilities, or other basic needs so women can focus on their health, not their bills.

Since 2006, Living Beyond Breast Cancer has awarded over \$3.5 million in grants to over 4,000 people.

DONATE to Living Beyond Breast Cancer to help make a difference in the lives of those impacted by breast cancer. **#Thrive365**
