

READING FOR REASSURANCE

Making hard conversations a little easier

Reading for Reassurance provides carefully selected children's books to help families talk openly about breast cancer, treatment, and emotions.

Books are available for children ages 1–17 and can be requested by parents, caregivers, or a healthcare provider on a family's behalf.

Free books for children,
because a breast cancer
diagnosis affects the whole
family.

lbbc.org/books

HOW TO REQUEST

1. Visit lbbc.org/books
2. Choose books by age group or topic
3. Books are mailed to U.S. addresses at no cost
